Project Description

Back to the Future is an Erasmus+ Youth Exchange project that gathers 35 young people from 7 countries (Slovakia, Turkey, Italy, Romania, Spain, Lithuania, Croatia) which will take place in a village Horné Orešany located near Trnava (Slovakia) between 19-26 August 2018. The project is focused on finding out different youth opportunities across the globe, producing solutions on spreading out awareness of this youth opportunities through the local communities.

The aim of the project is to encourage young people to take active citizenship roles on developing use-cases regarding applications and awareness of different youth opportunities in a creative way. What is more, the participants will gain technical-skills from creating video and photo tutorials, effective usage of practical online tools, preparing CV and motivation letters to the soft-skills such as facilitation and team-work.

Project's objectives are

- Exploration of different youth opportunities across the globe,
- Highlighting Erasmus+ awareness and its subtitles such as EVS, Youth Exchanges, Training Courses, Strategic Partnerships,, Erasmus+ Intern, Mundus etc.
- Highlighting other youth opportunities such as AIESEC, GoCamp, Workaway, Work and Travel etc.
- Scholarship opportunities for young people
- Personal development by improving technical skills such as creating effective CV & Europass and motivation letter, usage of online tools and ICT tools.
- Producing creative contents of all this youth opportunities in order to reach unaware young people,
- Inspiring and encouraging at least 1000 unaware young people to use our learning outcomes, through our local communities.

What to prepare before the Youth Exchange?

- 1) Before the exchange, the participants will be expected to do a research about youth opportunities in their countries and to prepare a short presentation about current situation:
 - Most popular youth opportunities & youth programs,
 - National youth opportunities and scholarship programs that doesn't exist in other countries,
 - Unemployment situation and government supports & programs for unemployed young people,

- 2) Each nationality group will be responsible for a short introductory presentation in below given topics,
 - Danube Volunteer Centre: Opportunities of Erasmus+ and Council of Europe,
 - EuroSud: EVS
 - Euopski Put: Workaway and AIESEC,(How it works?)
 - Open Europe: Biggest scholarship Opportunities in Europe,
 - Inceptus: Erasmus Intern
 - Youth Eurasia: Europass & Motivation Letter

- 3) Moreover, each nationality group should **prepare cultural program** for their evening, when they are going to present their country. Participants can bring traditional food, drinks, clothes, etc.

Note: At least 1 laptop is required for each national group.

Participant's Profile

Each nationality group will consist of 5 participants (4 participants + 1 group leader). 3 female + 2 male participant expected in the frame of positive discrimination due the high women unemployment rate in Europe.

The age of the participants will be between 18 and 26 years old. Priority should be given to applicants with fewer opportunities, with the interest to the topic of the project.
